OLYA TERESCHUK

Olya Tereschuk is a contemporary textile and mixed-media artist specialising in embroidery, fabric collage and site-specific works for hospitality and interiors.
Her biophilic practice draws on landscape, branching systems and organic structures, creating tactile works with a strong architectural presence.

SELECTED COLLABORATIONS

Marsa Al Arab, Dubai — Capsule Arts
AC Hotel Vancouver Waterfront — Indiewalls
Seabourn Cruise Line — Artlink
Private residential and commercial projects — Parade Art

FOR HOSPITALITY & COMMERCIAL PROJECTS

- Original artworks and bespoke commissions in custom dimensions and shapes
- Bespoke colour development with material samples, swatches and colour trials for approval
- Modular and site-specific configurations for architectural spaces, supporting budget-efficient large-scale commissions
- Mounting systems, technical drawings and installation guidance
- Acoustic backing and fire-retardant treatments available for selected works where required
- High-resolution reproduction and project-specific licensing for guestrooms and multi-key hospitality schemes
- International packing, shipping and production scheduling

From individual guestrooms and residences to large-scale lobby, spa and public-area installations.
